

Liberty University/Liberty Christian Academy/Collaborative Health Partners are offering employees and dependents covered under the LU Medical Insurance plans improved access and coverage for primary care services at no additional cost to the participant.

Access to Primary Care (Family Medicine and Internal Medicine):

- Preventative Medicine
- Chronic Care Management
- Acute Care
- Care Coordination
- In-House Labs
- Annual Exams
- Skin-based Surgical Services, i.e., mole excisions, wart removal, punch biopsies, etc.
- Immediate Care Services
- COVID Testing
- Inhaled and injected Medication Treatments
- All Vaccines and Immunizations
- 24/7 Virtual Care through Telescope Health
- Physical Therapy through Rehab Associates of Central VA

**Please note all services must be rendered within the CHP Network of Providers: CVFP Medical Group, Collaborative Health Pediatrics, Collaborative Health Direct Primary Care, Rehab Associates of Central VA & Walk-In Care Immediate Cares*

By means of example and not exclusion, the following services are not included as Primary Care Services:

- Any imaging services to include x-rays, ultrasounds, DEXA scans, echocardiograms, CT, and MRI scans**
- CHP Imaging Center Services**
- Collaborative Health Specialty Services:
 - Cardiology Specialists
 - Endocrinology Specialists
 - ONMM
 - Sports Medicine
 - Behavioral Health
- Infectious Disease
- Hospitalist Services
- Allergy Serums
- No-scalpel Vasectomies
- Any service performed outside of a Collaborative Health Partners' network of Primary Care practices
- Any specialist services within or out of the Collaborative Health Partners network

Some services your provider orders may be performed or reviewed at other non-CHP/WIC facilities. In such instances, you may receive a bill from an outside facility.

Examples include but are not limited to:

- Quest
- HealthTrackRx
- Outside Imaging Facilities

****Indicates a change from the previous plan year. Please also note that Wyndhurst Family Medicine is no longer in the CHP Network of Providers.**
